# VEHICLE CROSSING POINTS

## Yorkshire Marathon - Sunday 19th October 2025

For safety purposes it is essential that the road closures start to be implemented from 08:00 – 09:00 on Sunday 19th October 2025. Further details and information around road closures can be found here:

https://www.google.com/maps/d/edit?mid=1FEd98rIB4Yfq4Pk8Zg0U4el654ilMljG&usp=sharing

We are conscious however, that there are points across the route where runners won't approach until later in the day, so where possible we try to maintain access crossing points at areas which may well be landlocked.
